

Did you know . . . DEFINITIONS AND CMR for November 19, 2012

1...that "Exhibit" means a document, referred to in a contract, which is attached and establishes requirements for deliverables? The term shall not be used to refer to any other kind of attachment to a contract. The DD Form 1423, Contract Data Requirements List (CDRL), is always an exhibit, rather than an attachment. See DFARS 204.7101.

2...that "Attachment" means any documentation, appended to a contract or incorporated by reference, which does not establish a requirement for deliverables?

See DFARS 204.7101. (Thanks Chris!)

3...that the CLIN for the Contractor Manpower Reporting (CMR) shall be included in the solicitation for services and it will be the offeror's decision if it will be priced or not-separately-priced (NSP)? See FAQ D12 in this weblink <https://cmra.army.mil> of the Contractor Manpower Reporting Application.

Classification: UNCLASSIFIED

Caveats: NONE
